

Week 1 Assignment 3

Storyboard

IMD222

I created a storyboard that will spell my name out one letter at a time using Photoshop. I will also add "A1 Personalized Signs" so users would know what we were advertising. I chose to use 120 x 240 pixels to keep it to a minimum. I started off with a yellow background and added light violet text, then I added bevel and emboss. I used the Comic Sans text, bold, with a size of 60 pt.
